

SDG 16
PEACE, JUSTICE AND STRONG INSTITUTIONS

- Communicate transparently about our commitments
- Place ethics at the heart of our business

SDG 3
GOOD HEALTH AND WELL-BEING

- Improve working conditions
- Strengthen the health & safety culture amongst our employees

SDG 15
LIFE ON LAND

- Develop and restore our lands whilst promoting the natural habitats of flora and fauna

SDG 4
QUALITY EDUCATION

- Develop the skills of our employees and partners
- Preserve and pass on know-how

SDG 13
CLIMATE ACTION

- Significantly reduce our CO₂ emissions per tonne
- Innovate for an economical, autonomous and resilient habitat

SDG 5
GENDER EQUALITY

- Increase the number of women in manufacturing and management positions

SDG 12
RESPONSIBLE CONSUMPTION AND PRODUCTION

- Take only as much as necessary
- Reduce our waste

SDG 6
CLEAN WATER AND SANITATION

- Limit our water consumption
- Reduce and treat our emissions

SDG 11
SUSTAINABLE CITIES AND COMMUNITIES

- Favour short supply chains
- Be a peaceful industrial neighbour
- Take action for the virtuous development of regions
- Contribute to enhancing heritage

SDG 7
AFFORDABLE AND CLEAN ENERGY

- Improve our energy efficiency
- Invest in renewable and decarbonised energies

SDG 10
REDUCED INEQUALITIES

- Strengthen our diversity, inclusion, and equality policies

SDG 9
INDUSTRY, INNOVATION AND INFRASTRUCTURE

- Innovate to optimise our manufacturing processes
- Develop new breakthrough technologies

SDG 8
DECENT WORK AND ECONOMIC GROWTH

- Promote employment and a thriving local economy
